Frequently Asked Questions:

1. What is included with my purchase? All house plans are custom drawn and vary from one plan to the next. All plans will include the following: Floor Plan (s), Site Plan.
2. How many sets of plans should I order? Most homes can be built with as few as 4 sets of prints. We recommend a minimum of at least 8 sets of prints, three of which will come from your Engineer. Engineer fees are not included in our prices. You can always purchase a set of cad files to modify yourself or give it to a professional to make the changes for you. All our house plans are available in either the layout shown, or the reverse image. There is no extra charge for the mirror image of your house plan like some other web sites charge for. We can provide all our house plans in both orientations so you may order either set. Just specify which orientation you prefer when you order. (As shown, or mirror image) Please feel free to contact us over the phone and we will be glad to get your information if you feel more comfortable doing business that way. Otherwise, make an appointment and come in and see us. All house plans may be upgraded to another plan provided you return all material in re-sellable condition and pay for the original shipping and printing costs and the difference in price between the house plans purchased. Please contact us for information prior to returning the shipment.
3. What is your return policy? All house plans ordered Online may be returned for a refund less a \$100.00 restocking fee and \$20.00 shipping charge. Plans **MUST** be returned in the ORIGINAL UNOPENED PACKAGE. If the package is damaged upon arrival, **DO NOT** accept the package. Refuse delivery on the package and it will be returned to us with no additional charges to you. Packages that are opened will **NOT** be given a refund.
4. How are your plans delivered? Your final plans will be mailed to you.
